

The Government Degree College as undertaken two best practices during 2022 as:

1. The college is committed to protect the local water bodies in the vicinity of the college. In this regard college remained active in cleaning the local water bodies/ Local Springs, for which NSS Units have taken various cleanliness drives to clean and protect the local water bodies. These water bodies are the sources to supply tap water to the residents of the vicinity.
2. The Government Degree College Dooru has also organized community outreach programme at a school Government Middle School Dooru and distributed study material, notebooks and other stationery items among 65 needy students. The practice was carried out on 31/03/2023.

PRESS RELEASE

NSS Units I and II of the Government Degree College Dooru organized community outreach programme at an adapted school namely Government Middle School Dooru on 31st of March 2022. During the event study materials in form notebooks and pencils were distributed among the **sixty five** needy students of the institution. On the occasion of distribution Prof. Tawseef Ahmad Parray [NSS Programme Officer Unit II] reflected on the aims of such community outreach programmes. Prof. Tawseef mentioned that such community programmes aim at providing services to

the least privileged student sections of the society so as to create the career opportunities for them.

Prof. Nusrat Jan, NSS Programme Officer, NSS Unit I interacted with the students in order to build their confidence for the safe future. Towards the end of the programme Ms. Firdausia Jan, Headmistress of the institution thanked the NSS Units for organizing such inspirational outreach programmes.
