An Important meeting of the college IQAC Committee was convened under the chairmanship of college Principal on 1<sup>st</sup> April 2024. The meeting was convened in the backdrop of submission of SSR for 2<sup>nd</sup> Cycle. After the threadbare discussion on all the pressing issues and the suggestions raised during the meeting, the following points are resolved which are hereby inked for your consideration/approval:

- All the members unanimously resolved that given the fact that Lok Sabha Elections 2024 are scheduled in the next month and the college campus being designated as Collection/Distribution Centre for the Dooru Constituency, hence the preparations for the submission of SSR cannot be started. Moreover, the documentation of the already submitted 4 AQARs are not available in structured form as of now. Furthermore, the college website is being developed now, therefore, it would not be in the interest of college administration to start preparations for the submission of SSR. In this backdrop all the members unanimously resolved that it would be in the fittest of things that the college shall avail 2<sup>nd</sup> accreditation under New Scheme of Binary Accreditation unveiled by the NAAC in 2024.
