Report

A felicitation programme in the honour of students who participated in the 2-Week ISRO Start Programme was conducted on **27th June, 2024** in the Conference Hall, GDC Dooru. All the registered students of ISRO, faculty members and guest from JK Scientist group participated in the event. The programme started with opening remarks by the Coordinator ISRO, Dr. Ummer Rashid Zargar highlight the outcomes of ISRO training programme and the importance of such programmes for the benefit of student community. The worthy Principal, Dr. GH Hassan Thakur also spoke on the spoke in the occasion and congratulated all the participants who were part of 2-Week programme. He impressed upon the student to develop specific skill set in order to develop into productive human resource ready for the future challenges. The Principal also acknowledge the role of coordinator during the smooth conduct of programme and impressed upon faculty to show same dedication towards their assignments. Later on certificate distraction ceremony was held in presence of faculty members. At the outset, certificate of participation was distributed to 21 students. After this, merit certificates were distributed who qualified ISRO examination with more than 50%, held on 20th May, 2024. Pertinent to mention that our student achieved A++, A+, B++, B+ and B grades in this competition. The top grades achieved by the students was also announced as highlighted below:

S/No	Name of the student	Grade
1.	Shaid Ayoub Padder	A+
2.	Sheikh Basit	A

The programme concluded with the final remarks by the Coordinator ISRO, Dr. Ummer Rashid Zargar that students should participate in the National sponsored programmes to upskill their talent. The vote of thanks was presented by the Ms. Manstash (4th semester student).

Release of Documentary on Forest Fire

The documentary "Forest Fires" prepared by the student of Department of Zoology, GDC Dooru under the aegis and guidance of Dr. Ummer Rashid Zargar was released and displayed on 27th June, 2024 in presence of Chief guest, JK Scientist, Dr. Khalid Gull, worthy Principal, Dr. Gh Hassan Thakur, Prof. Jan Shabir, and other faculty members and students. On the occasion of release this documentary, Dr. Ummer Rashid highlighted the idea behind the preparation of this documentary and gave the details about the importance of such initiative to develop scientific skill set among the students. He praised the dedication and hard work of students who were part of this project. The worthy Principal, Dr. GH Hassan Thakur also acknowledged the contribution of students during the preparation of documentary on the 'Forest Fires'. Dr. Thakur, highlighted the importance of scientific approach to resolve some of the pressing issues such as climate changes, global warming and environmental crisis. Later on documentary on "Forest Fires" was displayed on digital board for 10 minutes to showcase the problem of forest fire that engulfed the forest path of Dooru. At the end of the programme, three students viz, Mantasha (student of 4th Semester), Sheikh Bait (student of 2nd Semester) and Shaid Ayoub (student of 4th semester) was felicitated with a mementos and certificate of appreciation.

Minutes of Meeting

An important meeting between worthy Principal and Coordinators, ISRO Programme, with regard to the conduct of 'Student Felicitation' and 'Summer Outreach-2024' Programme for students who were part of 2-Week ISRO Start Programme, was held on **13th June, 2024**. The meeting was also attended by the student members who took part in the ISRO training programme. After threadbare discussion, following important decisions were taken with consensus:

- The meeting decided that felicitation ceremony will be held on **27th June, 2024** to honour all those students who took part in 2-Week ISRO Start Programme
- All student who participated in 13-day programme with 100% attendance and also participated in the online examination conducted by ISRO will be honored with certificate.
- In addition to the certificate distribution, a documentary on 'Forest Fires' prepared by the students will be displayed to highlight the importance of science in dealing with current pressing issues.
- The meeting decided that participants will also take part in the 'Summer Outreach-2024' sponsored by the JK Scientist group to provide information about career opportunities for science aspirant in USA and Europe.
- Furthermore, the meeting decide that the best achievers and guest of honor will be felicitated with token appreciation in the form of mementos.
- Finally, it was also recommended that participants will be served with light refreshment.

The meeting concluded with the remarks that programme will be conducted smoothly with the intention to felicitate the best achievers and to provide knowledge to the students. In the context of above decisions made above, the proposal for the conduct of programme is submitted for your perusal and approval.
